

# Swim Lesson Safety Procedures

- Please take your child's temperature and assess health status before arriving at the pool
- No loitering/socializing on pool deck, cabana area, bathrooms or parking lot
- Maintain appropriate distance from other families/students while dropping off and picking up
- Students & families can choose to wear a mask while entering/exiting pool area
- Please limit your days of spectating from pool deck to allow for social distancing
- Families must leave pool and parking lot promptly after lesson ends (no showering unless it is an emergency)
- No food permitted; personal water bottles are allowed
- Enhanced safety/cleaning/disinfecting policies for staff and instructors
- Registration in lessons/camps/fitness/classes waives all liability to Splash Aquatics, LLC and/or Peppertree Farms Pool and Cabana Association

*Please note: by participating in our program, you agree to, and understand we will do our best in adhering to social distancing guidelines. We are working with young children and cannot guarantee proper distancing at all times while in the water. If you are concerned by this for any reason, we respect your decision to hold off until next year. Please decide what is best for your family. If you do choose to participate, you understand and assume the risks knowing we will be trying our best to provide exceptional swimming instruction in the safest way possible. In return we ask that do your part by keeping sick children or any child that has been directly exposed to ANY illness at home. If there is a risk of exposure, call or text Kim at (847) 302 - 7946 as soon as possible in the morning before the lesson begins.*
